

Summer Party

And the Living IS EASY...

So fun, so warm, so playful. You don't have to take a vacation to feel the sand between your toes. The summer groove will take your office by storm.

What's Summer

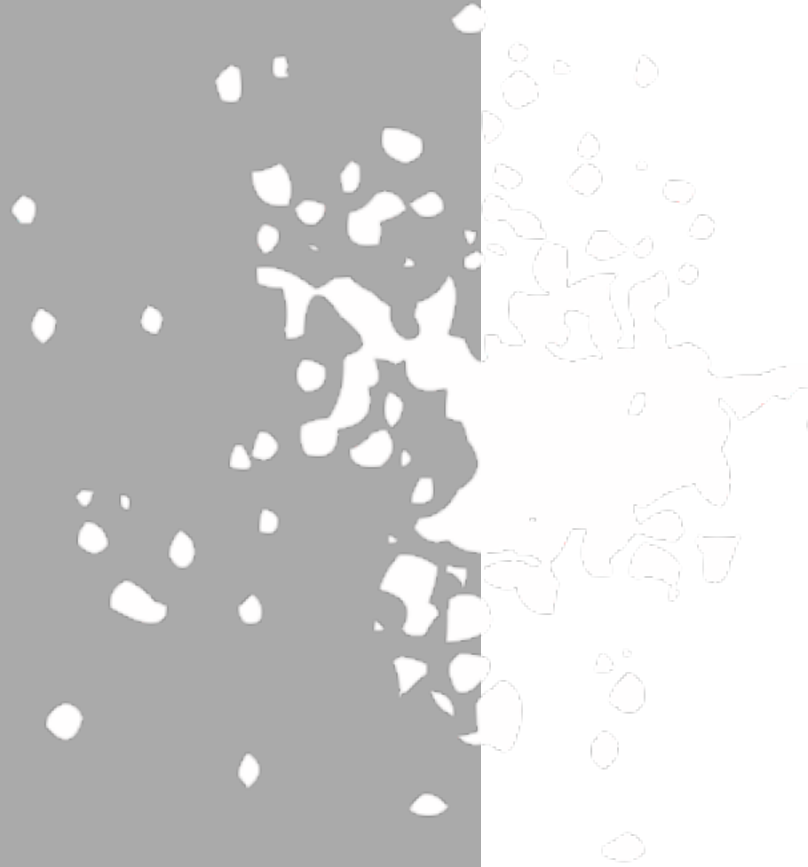

Party?

The Summer Party templates for Pages are a delightful blend of laid-back yet professional print and the smooth, colorful feel of summer, adding a touch of fresh lightness to your corporate style.

The pack contains 32 different templates, from a basic one-page Letter, Resume, or Fax to a complex Brochure with up to 40 options for covers and inner pages. The layouts range from full-page text to a three-panel brochure with photos to a set of business cards. You can build your whole corporate style using Pages Templates Expert, and put a smile on your clients' and partners' faces with Summer Party. A spellbinding combination of sweet, carefree splashes of color with playful fonts creates an original and fresh feel – the perfect image for a modern company.

Pages Templates Expert features some impressive enhancements over Pages Templates Pro. It contains an entire line of new templates: Business Offer, Business Report, Certificate, Fax, Manual, Meeting Minutes, Newsletter, Poster, Project Proposal, and Resume. Most of the templates, in turn, have more layout options, which makes more than 160 different layouts in total. This gives you nearly inexhaustible possibilities of tailoring Pages to your needs and making a memorable impression on your clients and partners, all as quickly and smoothly as possible.

NEW IN PAGES TEMPLATES EXPERT

Summer

Party

Pages Templates Expert: Summer Party includes 32 different templates in uniform style matching the type of each of the documents. Use single-page templates such as Letter, Memo, and Poster for basic documents or opt for one of the several multi-layout templates for brochures and other publications. The latter ones range from 6-layout Project Proposal to 40-layout Horizontal and Vertical brochures. Many of the layouts include placeholders for your photos or pictures – just drag and drop!

All of the templates are in A4 format (210 x 297 mm / 8¼ x 11¾ in.) except for Envelope (DL Envelope – 110 x 220 mm / 4¼ by 8¾ in.) and Poster Large (A3 – 297 x 420 mm / 11¾ x 16 ½ in.). You can see size of a selected template by clicking File → Page Setup and checking Paper Size.

Pages Templates Expert is extremely easy to use: just download the installation pack and follow the instructions to install it. Then check Pages, find the new templates in Template Chooser, and start employing them for your needs. Type or paste your own text, add and remove text boxes, and change the font if you wish. Drag your photos or pictures onto documents to replace the placeholders. Maintain the professional and stylish consistency from your business cards to invoices.

A decorative background featuring a large, dense cluster of pink and purple confetti on the left side, with scattered individual pieces of confetti extending across the page.
